Welcome to ScubaTech Dive Center Grenada

Grenada is a diver's paradise and has some of the very best reef and wreck dives in the Eastern Caribbean. There are more than 50 dive sites with a great variety of recreational diving, endless possibilities for novice and experienced divers.

Diving with ScubaTech means: most individual service, friendly staff, small groups, safety and fun - the best ingredients for a perfect diving holiday.

Close your eyes and think of the nicest Caribbean beach you can imagine. That's where we are! ScubaTech is located on the white sandy beach of the Calabash Hotel surrounded by palm trees in the beautiful and sheltered Priyoo Bay.

Our private jetty guarantees you easy access to the boat at all times. No walking through the water with all your equipment but simply hopping on the boat. Your equipment is already there.

ScubaTech offers the complete range of PADI programs from beginner up to Divemaster, rebreather training for SCR Dräger Dolphin, OCR Buddy Inspiration and technical dive training up to Extended Range.

Apart from diving and snorkeling we offer a large variety of activities: join us for an unforgettable sightseeing trip, one of our famous sunset champagne cruises or engage in some of our water sports like water skiing, wake boarding or tube riding.

In case your accommodation is not within walking distance to the dive shop we're very happy to offer you our free shuttle service.

Whatever you need - our friendly and professional staff will be happy to assist you. We really enjoy what we're doing and it's always our goal to make your diving holidays a memorable experience.

“One never knows what adventures lie beyond your door when you stay in Yellowstone. By summer, you could watch bison cross emerald fields a stone’s throw from your room. By winter, you can marvel at wolf howls echoing throughout the snowy hillsides. You don’t just get to see some amazing natural sights. You are a part of them.”
